

During inclement weather, it may be necessary to either delay transportation or announce a calamity day. Transportation will delay only for two (2) hours. However, if the weather does not improve, a delay may be changed to a calamity day.

Because we do cover the whole county it is not possible to check all the roads, which makes it necessary to stay in contact with the County School Districts for road conditions in their areas. We normally do not run in Districts that are closed because of bad road conditions.

CALAMITY/DELAY ANNOUNCEMENT

The County Board currently utilizes the OneCallNow system to announce delays or closings. In the event of a delay or closure, you will receive an automated telephone call with one of the three following announcements:

1. The Golden Rule School and Guernsey Industries is on a two (2) hour delay.
2. The Golden Rule School and Guernsey Industries is closed.

-OR-

3. The Golden Rule School is closed, Guernsey Industries is open,
ADULT ENROLLEES MUST PROVIDE THEIR OWN TRANSPORTATION.

Additionally, you may listen to radio station WILE/WCMJ for up-to-date information
